Are you ready to take control of your life in as little time as one week? "Procrastination Elimination: Seven Days to Action!" will help you identify what you want out of life and how you can get it. Author Susan Lynn Perry introduces a simple system for overcoming procrastination and pinpointing your goals, so you can finally accomplish what you really want. The author's easy-to-understand examples include the following techniques and much more: -Tap into your motivation and use it to propel you forward. -Master the six most common time management techniques. -Become skilled at using your imagination to solve problems more creatively. -Uncover the secret of getting twice as much done in half the time. -Reveal a new attitude and begin living a new life. -Discover why getting organized can move you closer to achieving your goals. -Learn how to apply the power of positive thinking to go after your dreams. Stop putting off until tomorrow what you can do today by following Perry's hands-on exercises and real-life examples. Don't procrastinate any longer! "Procrastination Elimination" will show you how to be ready to change, ready to learn, ready to be in control, and ready to "just do it!"
